

OUR MISSION

Provide innovative, cost-efficient professional services to all clients. Recognizing that success in a service industry is directly related to quality of service, we will provide the most comprehensive and accurate service available. Further, we have learned that continuing professional development for all employees is important to maintain professional acuity and high morale that ultimately contributes to the health and success of the business.

LOCATION

409 Chicago Drive, Suite 112
FAYETTEVILLE, NORTH CAROLINA 28306

4D IS LOCATED AT THE SITE OF THE OLD CUMBERLAND COUNTY FAIRGROUNDS NOW KNOWN AS COMMERCE PARK ADJACENT TO NC HIGHWAY 87. THE CONVENIENCE OF THIS LOCATION GIVES **4D** THE ABILITY TO TRAVEL EASILY ANYWHERE WITHIN AND OUTSIDE THE STATE.

HISTORY

4D Site Solutions is a new company, formed in July of 2002, that was founded on providing quality and expertise in professional survey services. 4D Site Solutions has recently added civil engineering and design services as of January 2006. Although we are new company, our employees have a combined 86 years of experience.

Our technical and support staff are selected not only on the basis of their professional excellence, but also on their ability to effectively work with each other, as well as with clients to deliver a product that truly meets the client's needs - on time - and within budget.

Services currently offered by 4D Site Solutions, Inc

- **Feasibility/Due Diligence**
- **Land Planning**
- **Site Design**
- **Grading and Erosion Control Design**
- **Storm Water Design**
- **Utility Distribution System Design**
- **Site Development Permitting**
- **Professional Consulting Services**
- **Roadway Layout**
- **Construction Layout**
- **Boundary Surveys and Mapping**
- **Global Positioning Systems (GPS)**
- **Control Surveys**
- **Topographic Surveys and Mapping**
- **Volumetric Surveys**
- **ALTA/ACSM Surveys**

Our staff is supported by an impressive array of state-of-the-art data collectors, plotters, and CAD equipment to better serve the needs of our clients.

As 4D Site Solutions grows, we will recruit additional professionals to expand services into related markets such as roadway engineering (NCDOT) and architecture. Over time, we will look for additional opportunities for expansion, both geographically and in terms of specialized services.

We believe our experienced, professional staff and support personnel to be second to none. We are ready to meet the unique demands of your project in a manner which will ensure your return as a totally satisfied client.
